

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,  
and Handling of Food."

1998 MAY -7 RECEIVED

I want the FDA to continue prominent labeling of food that has  
been treated with irradiation. The label should be conspicuous and  
include the logo for irradiation.

Additional comments: I think it's deplorable that  
in developing "organic" guidelines for labelling that  
suddenly an everything goes system is being developed.
